Format: **There will be four classes; Open Doubles A & B and Women's Doubles A & B.** ("Open" is for both men and women. The pair can be two men, two women or a mix.) The Committee will make decisions on the details of the tournament that include whether to have the consolation matches or not. The Committee will make every effort to run the tournament smoothly, but please understand that due to the limited number of courts that will be available for us, there may be a waiting time before and/or after your match.
