P.S. 147 Brooklyn / Japanese Dual Language Program

P.S. 147 Brooklyn serves grades Pre-Kindergarten through 5th Grade. It is home to the only dual language immersion program in Japanese in the New York City Public School System. It teaches Japanese-American students from around NYC, together with American students from the surrounding community of Bushwick/East Williamsburg. The program utilizes a two-way immersion method, in which half of the class is native Japanese speakers and the other half has no Japanese background. All students are instructed 50% in Japanese and 50% in English. ブルックリンに位置するPS147は、ニューヨーク市にて唯一日英バイリンガル教育を実践する公立小学校です。このプログラムの生徒達は午前中は英語で、午後には日本語で授業を受けます。生徒の半分は日本とは全く関係のない現地の子供達です。日本人の先生方が子供達に根気よく日本語を教える姿がとても微笑ましいです。日本語を習得した子供達は将来きっと日米の架け橋となってくれることでしょう。
