## The 28th Annual San-Betsu Charity Golf Tournament

The Annual San-Betsu Charity Golf Tournament provides the perfect opportunity for colleagues and friends to enjoy a relaxing day of golf, form new relationships, and most importantly, support a worthy cause. The Japanese term San Betsu means industry-based and in this tournament participants are grouped in teams of similar industries and fields. This allows participants to further their business relationships while taking part in a friendly game of golf. The Annual San-Betsu Charity Golf Tournament has therefore emerged as one of JCCI's most popular events.

The Chamber is proud to announce that this year's San-Betsu Charity Golf Tournament proceeds will be contributed to Kizuna Across Cultures.

## Supporting Kizuna Across Cultures

This year's proceeds go to Kizuna Across Cultures (KAC). KAC pairs a high school Japanese class in the U.S. with a high school English class in Japan to form a joint class. Over the course of six-months, students exchange messages, photos, and videos on a variety of topics in English and Japanese every week during class.
