Dear instructors and participants in the Nippon Club Culture Courses:

We extend our heartfelt gratitude for your continued generous support and patronage of the Nippon Club's activities.

We are pleased to announce that the Nippon Club will relocate to 604 Fifth Ave New York and reopen in early 2026. The first floor will be a retail store operated by the building's owner, Minamoto Kitchoan. The Nippon Club will occupy floors two through six. The Culture Courses classrooms are planned for the second floor. Additionally, a café will be located on the second floor.

Although the Nippon Club is a members-only social club, our Culture Courses have historically been open to non-members. However, due to the relocation, we must regretfully inform you that starting with the 2026 Winter classes, both instructors and students will be required to become individual members of the Nippon Club as a condition for teaching or attending classes.

The Nippon Club hosts a wide variety of events throughout the year for our members. Members also have access to benefits such as use of the Tokyo American Club facilities. We also have a members-only restaurant. For details about the Nippon Club, membership benefits and information, please visit our website (www.nipponclub.org).

For inquiries regarding the Culture Courses, please contact culture@nipponclub.org.

For inquiries regarding Nippon Club membership, please contact membership@nipponclub.org.

We sincerely hope you will support the Nippon Club's mission and consider joining. We appreciate your cooperation very much.

Sincerely yours,

Maeda Masaaki
Vice President & Assistant Secretary,
